

RICHIE BROS. INTERNATIONAL HQ BURNABY, BRITISH COLUMBIA

The 15,290 m² corporate headquarter building in Burnaby for the world's largest industrial auctioneer Richie Bros. Auctioneers is a facility designed around the concept of obtaining a positive work / life balance. The project was delivered using the integrated design process and is LEED gold certified. The three story building features high volume lobbies connected by intersecting walkways interspersed with break-out spaces which provide an informal atmosphere to encourage team based collaboration.
